RICE INSTITUTE OF CREATIVE EDUCATION (RICE)

2nd Floor, G4 Building,

144 Xuan Thuy St.

Quan Hoa Wd,

Giay Dist., Hanoi

Vietnam

ATTN : DR. NGUYEN HOANG GIANG

2nd February 2019

We are pleased to announce that **Olympic Edu Sdn Bhd** is partnering with **Research Institute of Creative Education (RICE)** as an exclusive partner for our ASMO competitions. This partnership is effective from 2nd February 2019 onwards. This partnership is aimed at enhancing the competition and providing the competition to a bigger platform across Asian countries.

Therefore as a partner, we are delighted to invite **Research Institute of Creative Education (RICE)** to join us in running this year Asian Science and Mathematics Olympiad (ASMO) 2019 in your home country, Vietnam.

For this year, there are 3 types of competition that ASMO 2019 offers namely Science Competition, Mathematics Competition and English Competition. The competitions are open to primary and secondary school students. The date of the competitions will be decided by **Research Institute of Creative Education** later.

We look forward for you to organize the competition.

Best Regard,

Allen Chan,
ASMO President
